## TPO Society Auction January 2026

### Auction closes on the 15<sup>th</sup> January 2026

Another list of opportunities for you after the hectic Christmas season and a time to chill out and examine the list of auction lots. There are some very interesting railway items and some very nice (and scarce) paquebot items in the listing so I hope you can find something interesting to bid on. Happy hunting and good luck.

A further reminder to please add your address when sending your bids in by email and also, many thanks to those who send in your cheques early – it really does speed up the process.

As a further note my new phone number is **07772 325750**
