Cancellations of the

World and more...

By Mike Dovey & Keith Morris

Since the publication in 2010 and the consequent selling out of the printed hard copies we have had many enquiries for second hand copies of the book which we have not been able to fulfil as purchasers have jealously guarded their copies and are very reluctant to sell them on to other collectors and enthusiasts.

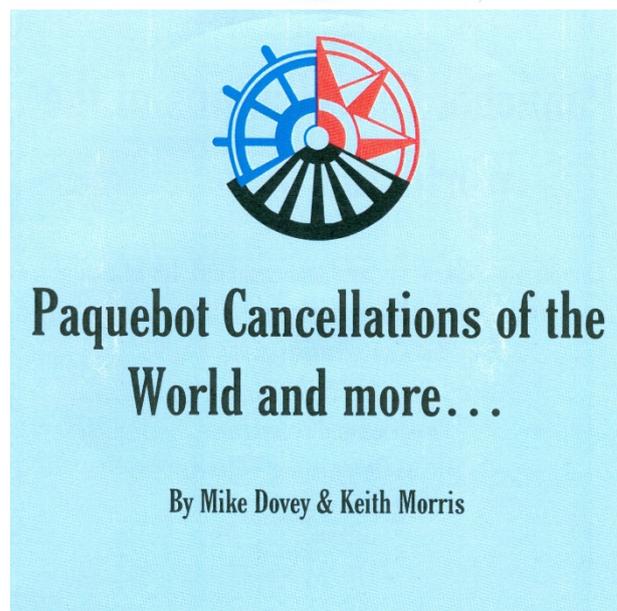

After much thought we have decided to allow the book to be sold as a pdf on a CD which will help all of those who missed out on the original book when it was published.
